- Endpoint Detection & Response (EDR)
- Help Desk Support
- Design, Install, and Test Cyber Solutions
- Penetration Testing
- Server and System Security
- Firewall Protection
- Cyber Security Training

PAST PERFORMANCE

SUBCONTRACTOR - Department of Homeland Security (DHS). Period of Performance 10/2018 - Present (multiple contracts) Servicing networks for several federal agencies including DoED, HUD, EPA, FDIC, NRC, NSF, SEC, and SBA. Creative Visions has directly supported the vulnerability management of the DEFEND E continuous diagnostics and monitoring (CDM) solution delivering cybersecurity capabilities and tools that assess and identify cyber risks on an ongoing basis, prioritizes those risks, and enables personnel to mitigate the risks. We are responsible for analyzing, designing, installing, and maintaining cybersecurity tools, repairing hardware, collaborating with IT teams, performing upgrades, monitoring computer systems, and providing support to non-technical staff. Contract POC: John Lehman, President jlehman@cmitmanage.com.

SUBCONTRACTOR - Bureau of Engraving and Printing (BEP) OCIITS Cybersecurity Support Services. Period of Performance 08/2020 - Present (multiple contracts) Cybersecurity Support Services to include tasks such as performing Security Incident Event Management (SIEM) services aligned with NIST standards; architecting and managing cybersecurity tools; analyzing, designing, and implementing security plans and procedures. We are responsible for reporting any known vulnerabilities and recommending remedies, identifying risks to the production environment associated with system additions, changes, or modifications. Contract POC: Phillip Reed, Project Manager jlehman@cmitmanage.com.

SUBCONTRACTOR - Spear (subsidiary of CALIBRE). Period of Performance 03/2016 – 12/2018, Provided cyber security services supporting Phase 1 and Phase 2 of DHS's Continuous Diagnostics and Mitigation (CDM) program. This program provided federal departments and agencies with capabilities and tools that identify cyber security risks on an ongoing basis, prioritized these risks based upon potential impacts, and enabled cyber security personnel to mitigate the most significant problems. Contract POC: Beth McCall, Project Manager bmccall@spear-inc.net.

DIFFERENTIATORS

Technology: We focus on developing robust, secure, and stable technology solutions for organizations. By incorporating common sense solutions into seemingly daunting deliverables, we can ensure at the start of the project that we will safely deliver the product to completion.

Quality: Quality and customer satisfaction are monitored, and problems are resolved quickly. Creative Visions is reliable, performs highly and is prepared to do this for every contract.

Our People: Creative Visions is located in the Washington, DC Metropolitan Area, and our people have extensive experience providing services for the federal Government. We are loyal to our customers and committed to surpassing all requirements and expectations.
